

Printing server upgrade 5PM Thurs Aug 15

On Thursday, August 15 at 5PM, the student network printing server, owlprinting.rice.edu, will be offline for 15 minutes for an upgrade. During this 15-minute upgrade, no student network printers will accept new print jobs.

At 5:15PM, the faculty and staff printing server, printing.rice.edu, will receive the same upgrade. During the 15-minute upgrade window, no network faculty or staff printers will accept new jobs.

updates will be posted to the IT website: it.rice.edu
