

Active Directory Maintenance - Begins at 7:00 AM

OIT will be performing maintenance on Active Directory beginning at 7:00 AM. Active Directory will be available during the maintenance window. Maintenance will occur in such a way that the service to users should not be affected.

A notification will be sent at the completion of maintenance.

If you have any questions about the maintenance or if you experience an unexpected service impact please contact the OIT Help Desk: <https://help.rice.edu>.
