

Allen Center, McNair Hall wireless maintenance Wed 5AM

IT will perform updates on the wireless network for McNair Hall and Allen Center beginning at 5AM Wednesday morning, April 11, 2012.

The wired network will still work early Wednesday morning, but devices using the wireless network will not be able to connect between 5:00 AM and 6:30 AM.

Updates will be posted to the IT web site:<http://it.rice.edu/>
