

Rice email blacklist issues Friday

IT is researching reports of some email delivery rejections from external mail servers due to blacklists. Rice to Rice email delivery is NOT affected.

If you receive a notice that your message to an external address with this subject

Returned Mail: See Transcript for Details

please forward the message to helpdesk@rice.edu with headers in place. If you do not know how to show headers, call 713.348.4357 for assistance before forwarding the message.
