

# Phishing Emails

Rice faculty, staff, and students have reported two phishing emails. The phishing email senders are "EVERSMAN, AMY" <[ameversman@rochester.k12.mn.us](mailto:ameversman@rochester.k12.mn.us)> and/or "Rice OIT" <[marjaleena.putkonen@saunalahti.fi](mailto:marjaleena.putkonen@saunalahti.fi)> with the subject line "Rice University".

The body of the email contains the message: "Hello, As requested, your Account will be Truncated shortly. Note: if this is not on your request, please cancel request Here"

Both emails are not legitimate. If you received these emails, simply delete it. If you clicked on the link and entered your username and password, go to MyNetID <<https://mynetid.rice.edu/oams/app/>> and change your NetID password.

If you need further assistance, email [helpdesk@rice.edu](mailto:helpdesk@rice.edu)
