

# **Subversion maintenance Tues 8AM**

IT will perform minor maintenance on Subversion (a system used in CS and other courses using version control) between 8AM and 9AM Tuesday morning, August 26, 2011.

For a short time during the maintenance window, customers will not be able to download files in Subversion.

Please contact the IT Help Desk ([helpdesk@rice.edu](mailto:helpdesk@rice.edu) or 4357) if you notice any irregularities in the system after 9AM.
