

# Campus Email Maintenance Announcement

The campus email service will be intermittently offline for approximately 1 hour this Saturday June 28th from 7:00 AM until 8:00 AM to complete the annual summer maintenance for this service. No email will be lost during this process. Rice customers may NOT be able to send or receive messages during the maintenance. All messages sent to Rice email addresses during the outage will be delivered when the service returns. Customers are asked to restart their email clients after 8:00 AM Saturday if they should encounter problems sending or receiving email.
