

# Google Pilot Program tests Rice-Only sharing June 5

Rice faculty, staff, and students in the Google pilot program will test Rice-Only sharing beginning Tuesday, June 5, at 9:00 AM.

Prior to the test, events and data in the Google pilot program can be shared with external email addresses. Rice-only sharing means a Rice NetID login is required to view Google Docs, Calendar, Sites, etc. created in or uploaded to Rice Google Apps for Education.

Updates will be posted to the IT web site: [it.rice.edu](http://it.rice.edu)
