

# Dell Butcher Hall Network Upgrade 6PM Wednesday

On Wednesday evening, March 25, at 6:00 PM, one of the two network switches in the 1st floor of Dell Butcher Hall will be upgraded. The network connectivity for half the 1st and 2nd floor of the building will be affected during the change over. Work will take approximately 3 Hours. Status updates will be posted online: <http://it.rice.edu>
